

A collage of craft supplies on a light-colored wooden surface. In the top left, there are purple-handled scissors, a piece of aluminum foil, and a slice of bread. In the bottom left, a pink box contains a variety of colored pencils and a wooden ruler. A piece of white paper with a hole is in the center, with a yellow scrap, a black shadow, and a colorful patterned scrap nearby.

Sur le ponton, Arii tousse et pleure,  
il a eu très peur.
