

A collage of craft supplies on a light-colored wooden surface. In the top left, there's a pair of purple-handled scissors and a piece of silver foil. Below the scissors is a yellow paper scrap. In the center, there's a white rectangular piece of paper with a hole cut out, through which a black paper scrap and a colorful, patterned paper scrap are visible. In the bottom left, there's a pink box containing a variety of colored pencils and a wooden ruler. The background is a light-colored wood grain, and a red border is visible on the right side.
