Joyeux Noël

POUR L'ENSEIGNANT(E)

Avant les vacances de Noël, il est recommandé de présenter le cahier aux enfants et d'organiser, si possible, une réunion d'information pour les parents.

POUR LES PARENTS

Ce cahier d'activités permet à l'enfant un entraînement régulier pendant toute la durée des vacances.

Un travail intense sur une courte période est à éviter. Il est conseillé à l'enfant de réaliser un ou deux exercices par jour.

L'enfant ouvre son cahier quand il en a envie, et non par obligation. Il peut faire les exercices dans n'importe quel ordre, il ne doit pas être sanctionné s'il se trompe : il ne faut pas oublier qu'il s'agit d'un cahier de vacances.

Les parents encouragent et félicitent leur enfant en regardant et valorisant son travail.

Ce cahier pourra être rapporté à l'école à la rentrée.

Bonnes vacances !

MODE D'EMPLOI

Ce cahier de vacances SG propose aux élèves une série d'activités permettant la révision des premiers apprentissages et l'entretien des habitudes scolaires.

Il a été conçu pour permettre à l'enfant de travailler seul.

* Les activités sont simples et ludiques.

* Des consignes courtes permettent à l'enfant un maximum d'autonomie.

* La lecture des consignes est facilitée par des pictogrammes.

SOMMAIRE

6

Lecture

- * Reconnaître des mots — p. 26-39-44-49-55
- * Repérer des indices pour écrire des mots — p. 37-47
- * Reconnaître le nom des couleurs — p. 46
- * Retrouver des mots dans deux systèmes d'écriture — p. 53-56

Graphisme

- * Tracer des motifs

p. 11-31-34

p. 38

Nombres/Logique/Espace

- * Anticiper et tracer un trajet — p. 9-18-52
- * Utiliser un tableau à double entrée — p. 13
- * Repérer des cases sur un quadrillage — p. 14-20
- * Reconnaître des nombres — p. 16
- * Associer un chiffre à une couleur — p. 17
- * Ranger des images dans l'ordre chronologique — p. 19-25
- * Percevoir des formes géométriques — p. 29
- * Associer nombres et quantités — p. 32-54
- * Comparer et ranger des grandeurs — p. 33
- * Constituer des collections — p. 36-40-43-48
- * Repérer par rapport à un axe de symétrie p. 42
- * Utiliser une suite numérique — p. 45

Attention visuelle

- * Compléter un rythme simple — p. 7-35
- * Repérer des dessins identiques — p. 8-23-30
- * Repérer une position — p. 10
- * Repérer des silhouettes — p. 12
- * Colorier suivant une règle ou d'après un modèle — p. 15-22
- * Repérer des différences entre deux images — p. 21-51
- * Associer des éléments — p. 24
- * Repérer les éléments manquants — p. 27-28-41
- * Utiliser un indice — p. 50
pour reconnaître un dessin

Activité manuelle

- * Exercer les habiletés manuelles

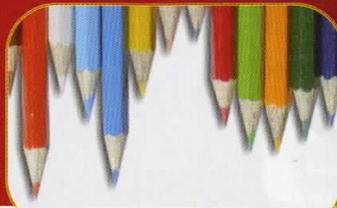

p. 57-59

Corrections

p. 61-62-63-64

Trace

An illustration of a red-clad elf standing next to a square maze. A red line starts from the top and winds through the maze to a gift box in the center.

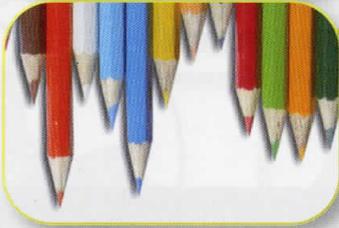

A large, complex maze made of brown, textured paths. Santa Claus is at the entrance on the left, and a red dashed arrow indicates the path leading down and right towards the exit on the right.
